PROJECTS

Meta-Tunes :- A music player app created using MERN STACK (<https://meta-tunes.vercel.app/>)
Powered by the MERN stack (MongoDB, Express.js, React.js, and Node.js), my app ensures a seamless and efficient music streaming experience, From robust data management to real-time updates.

N-Note :- A note making app created using MERN STACK (<https://n-note.vercel.app/>)
There are over 20 font options available, allowing user to experiment with different styles for your notes
The notes can be pinned at the top of the home page and can be archived.

Additionally, user will have access to deleted notes for 28 days after they have been deleted

No_Dues_form :- I along with two of my friends , have created a project called
"NO_DUES_FORM" , This project is associated with My College and currently operational in
college server Github Link:- (https://github.com/jamAL108/noDuesForm_React)

EXTRA-CURRICULAR ACTIVITIES/ ACHIEVEMENTS

- 300 + Leetcode Solutions
